

ACKNOWLEDGEMENTS

On Behalf of the JUSTEC Governing Board, I gratefully acknowledge the generous contributions by Evaluation Systems, Pearson and the Educational Testing Service for sponsoring the printing and dissemination of *“Proceedings of the 23rd Japan- US Teacher education conference”*. I especially thank Dr. Richard G. Allan, recently retired Vice President, Evaluation Systems, Pearson and Ann-Marie Stephenson, Associate Director, GRE Client Relations at ETS for their interest and support of JUSTEC.

Endorsements by the U. S. Embassy, Tokyo, the Ministry of Education, Culture, Sports, Science and Technology, Japan and the American Association of Colleges for Teacher Education strengthen our respective efforts for high quality teacher education in Japan and the United States. We appreciate the participation by senior officials from the Japan Consulate in Boston, the U.S. Department of Education, and the Massachusetts Department of Education. Their contributions enlighten and inspire our work.

Finally, the guidance and contributions by senior administrators, faculty and staff at the University of Massachusetts Lowell have made the 2011 JUSTEC conference possible. I greatly appreciate their support.

Sincerely,

Donald E. Pierson
